Kids Allowed®

Health & Safety Policy

Aim of the Policy *- Kids Allowed Health and Safety Policy is in place to promote awareness of safe working practices and to provide a safe, caring, healthy and educational environment for our children, team members and visitors.*

Kids Allowed will ensure that all reasonably practical steps are taken to ensure the health, safety and welfare of all persons using the Centre.

Kids Allowed will:

- Establish and maintain a safe, caring, healthy and educational environment throughout the Centre.
- Establish and maintain safe working practices amongst team members.
- Appoint a person within each Centre with designated Health and Safety responsibilities.
- Provide a COSHH (Control Of Substances Hazardous to Health) list that is relevant to the products in use. This list will be reviewed and updated as required.
- Provide Team members with information and training in relevant aspects of Health and Safety, including undertaking risk assessments and the identification of potential hazards.
- Implement emergency procedures for the safe evacuation of the Centre in the event of fire or other emergency situations.
- Identify a “Place of Safety” should a prolonged evacuation take place.
- Provide high levels of cleanliness and hygiene throughout the Centre.
- Provide resources to enable team members, children and parents to take reasonable action to control the spread of infection.
- Take reasonable steps to ensure that team members wear the Personal Protective Equipment (aprons and gloves) provided for specific tasks.
- Provide welfare facilities for team members.

Kids Allowed believe that only by the adoption of safe methods of work and good practice by each individual can everyone's personal health and safety can be ensured.

Whilst using our centre and its grounds we would ask that you please pay regard to your own safety and that of others.

A breach of health and safety procedures by a team member constitutes misconduct and may be dealt with as a disciplinary matter.
