

Complaints Policy

Aim of the Policy - *The Kids Allowed Complaints Policy is in place to facilitate channels of communication which allow and encourage parents and visitors to raise concerns regarding the service provided.*

Kids Allowed work with, children, parents, team members and visitors in a professional and courteous manner. If you should have cause for comment or complaint regarding the service provided the actions detailed below should be followed.

- Parent and visitor concerns / complaints should wherever possible, be brought to the attention of the Key Person, Unit Manager or a member of the on site Centre Management team, for prompt attention and action.
- They will listen to your concern / complaint and investigate the issue as soon as possible. A verbal response should be received within one working day indicating what immediate action may have been taken to resolve the issue. If this is not possible due to operational circumstances, a verbal acknowledgement, registering your concern / complaint will be given within one working day, followed by a full response within 3 working days.
- Written correspondence sent directly to Kids Allowed at the address below, will be acknowledged within 5 working days and responded to within 28 days.
- It is common to require more information to clarify issues and to be able to fully understand concerns so that a high quality investigation can take place. This may be done on the phone or in person via a meeting.
- If you require a meeting to discuss a specific issue in private, please speak to the Centre Manager to arrange a mutually convenient time.
- If you are not fully satisfied with the response to your concern / complaint received from the Centre team, please contact Jennie Johnson, Kids Allowed Chief Executive Officer on 0161 434 6555 or 07803 088851.
- If you remain unhappy, the contact details for Ofsted (the regulatory body for childcare) are listed below who you can contact at any time.
- Please note, if a complaint is received more than 4 weeks after your child has left, your files may have been sent off site for storage by a third party company (this arrangement is secure and complies with the Data Protection Act). To retrieve them requires 28 days' notice which may impact the speed with which we can respond to your enquiry. If this is the case, we will inform you early on in the process of any delays there may be and what the length of that delay is likely to be.
